

RATIONALISED SCHEMES OF WORK

AGRICULTURE AND NUTRITION

GRADE 8

TERM 3

TEACHER'S NAME.....

TSC NUMBER.....

SCHOOL.....

WK	LSN	STRAND	SUBSTRAND	SPECIFIC LEARNING OUTCOME	KEY INQUIRY QUESTION(S)	LEARNING EXPERIENCES	LEARNING RESOURCES	ASSESSMENT METHODS	REFLECTION
1	1	HYGIENE PRACTICES	Cleaning practices	By the end of the lesson the learner should be able to: -identify appropriate procedures to clean the kitchen -explain the routine cleaning practices of a kitchen -appreciate a clean kitchen for healthy living	How can daily, weekly and special cleaning enhance hygiene in kitchen?	The learner is guided to: -discuss appropriate procedures to clean the kitchen -discuss the routine cleaning practices of a kitchen	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	
	2	HYGIENE PRACTICES	Cleaning practices	-identify appropriate procedures to clean the kitchen -explain the routine cleaning practices of a kitchen -appreciate a clean kitchen for healthy living	How can daily, weekly and special cleaning enhance hygiene in kitchen?	-discuss appropriate procedures to clean the kitchen -discuss the routine cleaning practices of a kitchen	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	
	3	HYGIENE PRACTICES	Cleaning practices	-identify appropriate procedures to clean the kitchen -explain the routine cleaning practices of a kitchen -appreciate a clean kitchen for healthy living	How can daily, weekly and special cleaning enhance hygiene in kitchen?	-discuss appropriate procedures to clean the kitchen -discuss the routine cleaning practices of a kitchen	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8	-oral questions -observation -written questions	

							MTP Home science grade 8		
	4	HYGIENE PRACTICES	Cleaning practices	-carry out cleaning of a kitchen to maintain hygiene -observe safety while cleaning the kitchen -appreciate a clean kitchen for healthy living	How do we observe safety while cleaning the kitchen?	-clean the kitchen to maintain hygiene applying(daily, weekly and special cleaning)	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	
2	1	HYGIENE PRACTICES	Cleaning practices	-carry out cleaning of a kitchen to maintain hygiene -observe safety while cleaning the kitchen -appreciate a clean kitchen for healthy living	How do we observe safety while cleaning the kitchen?	-clean the kitchen to maintain hygiene applying(daily, weekly and special cleaning)	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	
	2	PRODUCTION TECHNIQUES	Sewing skills Constructing house hold items	-identify the types of seams used in making clothes -make samples of seams on a piece of cloth	What is a seam?	-use digital devices to search for information on different types of seams used in making different types	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8	-oral questions -written questions -observation	

				-appreciate importance of seams as a sewing skill		of household articles -make samples of open and plain seams on a piece of cloth using hand sewing	MTP Home science grade 8		
	3	PRODUCTIO N TECHNIQUE S	Sewing skills Constructing house hold items	-identify the types of seams used in making clothes -make samples of seams on a piece of cloth -appreciate importance of seams as a sewing skill	What is a seam?	-use digital devices to search for information on different types of seams used in making different types of household articles -make samples of open and plain seams on a piece of cloth using hand sewing	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -written questions -observation	
	4	PRODUCTIO N TECHNIQUE S	Sewing skills Constructing house hold items	-identify the types of seams used in making clothes -make samples of seams on a piece of cloth	What is a seam?	-use digital devices to search for information on different types of seams used in making different types	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8	-oral questions -written questions -observation	

				-appreciate importance of seams as a sewing skill		of household articles -make samples of open and plain seams on a piece of cloth using hand sewing	MTP Home science grade 8		
3	1	PRODUCTIO N TECHNIQUE S	Sewing skills Constructing house hold items	-identify the types of seams used in making clothes -make samples of seams on a piece of cloth -appreciate importance of seams as a sewing skill	What is a seam?	-use digital devices to search for information on different types of seams used in making different types of household articles -make samples of open and plain seams on a piece of cloth using hand sewing	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -written questions -observation	
	2	PRODUCTIO N TECHNIQUE S	Sewing skills Constructing house hold items	-make a household item using seams -observe safety as he or she interacts with sharp sewing tools -appreciate importance of seams as a sewing skill	What is the importance of observing safety when sewing?	-make a household item using plain or open seams (cushion cover, pillow case -observe safety as he or she interacts with	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8	-oral questions -written questions	

						sharp sewing tools	MTP Home science grade 8		
	3	PRODUCTIO N TECHNIQUE S	Sewing skills Constructing house hold items	-make a household item using seams -observe safety as he or she interacts with sharp sewing tools -appreciate importance of seams as a sewing skill	What is the importance of observing safety when sewing?	-make a household item using plain or open seams (cushion cover, pillow case -observe safety as he or she interacts with sharp sewing tools	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -written questions	
	4	PRODUCTIO N TECHNIQUE S	Sewing skills Constructing house hold items	-make a household item using seams -observe safety as he or she interacts with sharp sewing tools -appreciate importance of seams as a sewing skill	What is the importance of observing safety when sewing?	-make a household item using plain or open seams (cushion cover, pillow case -observe safety as he or she interacts with sharp sewing tools	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -written questions	
4	1	PRODUCTIO N TECHNIQUE S	Constructing innovative animal waterer	-identify challenges with animal waterers used in the community -design and construct an innovative waterer for water conservation	How can we make an innovative waterer for small domestic animals?	-discuss challenges with animal waterers used in the community -use locally available materials to	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8	-oral questions -observation -written questions	

				-appreciate use of innovative waterers in animal rearing		construct a waterer for small domestic animals	MTP Home science grade 8		
	2	PRODUCTIO N TECHNIQUE S	Constructing innovative animal waterer	-identify challenges with animal waterers used in the community -design and construct an innovative waterer for water conservation -appreciate use of innovative waterers in animal rearing	How can we make an innovative waterer for small domestic animals?	-discuss challenges with animal waterers used in the community -use locally available materials to construct a waterer for small domestic animals	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	
	3	PRODUCTIO N TECHNIQUE S	Constructing innovative animal waterer	-identify challenges with animal waterers used in the community -design and construct an innovative waterer for water conservation -appreciate use of innovative waterers in animal rearing	How can we make an innovative waterer for small domestic animals?	-discuss challenges with animal waterers used in the community -use locally available materials to construct a waterer for small domestic animals	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	
	4	PRODUCTIO N TECHNIQUE S	Constructing innovative animal waterer	-identify challenges with animal waterers used in the community	How can we make an innovative waterer for small	-discuss challenges with animal waterers used in the community	Agriculture and Nutrition grade 8 curriculum design	-oral questions -observation -written questions	

				-design and construct an innovative waterer for water conservation -appreciate use of innovative waterers in animal rearing	domestic animals?	-use locally available materials to construct a waterer for small domestic animals	MTP Agriculture grade 8 MTP Home science grade 8		
5	1	PRODUCTION TECHNIQUES	Constructing innovative animal waterer	-identify the importance of animal waterers -use the constructed innovative waterer to provide water to animals -observe safety while using tools and equipment to construct animal waterer	What is the importance of animal waterers?	-discuss the importance of animal waterers -use the constructed innovative waterer to provide water to animals -observe safety while using tools and equipment to construct animal waterer	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	
	2	PRODUCTION TECHNIQUES	Constructing innovative animal waterer	-identify the importance of animal waterers -use the constructed innovative waterer to provide water to animals -observe safety while using tools and equipment to construct animal waterer	What is the importance of animal waterers?	-discuss the importance of animal waterers -use the constructed innovative waterer to provide water to animals -observe safety while using tools and equipment	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	

						to construct animal waterer			
	3	PRODUCTION TECHNIQUES	Constructing innovative animal waterer	-identify the importance of animal waterers -use the constructed innovative waterer to provide water to animals -observe safety while using tools and equipment to construct animal waterer	What is the importance of animal waterers?	-discuss the importance of animal waterers -use the constructed innovative waterer to provide water to animals -observe safety while using tools and equipment to construct animal waterer	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -written questions	
	4	PRODUCTION TECHNIQUES	Constructing innovative animal waterer	-identify the importance of animal waterers -use the constructed innovative waterer to provide water to animals -observe safety while using tools and equipment to construct animal waterer	What is the importance of animal waterers?	-discuss the importance of animal waterers -use the constructed innovative waterer to provide water to animals -observe safety while using tools and equipment to construct animal waterer	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -written questions	
6	1	PRODUCTION	ICT support devices	-identify support services that can be	Name the services which can be	-discuss how ICT can be used to access	Agriculture and Nutrition grade 8	-oral questions	

		TECHNIQUE S		accessed through use of ICT -access support services using ICT -show responsibility in use of ICT in accessing support services	accessed through ICT?	supplies and information for appropriate decision making -access online platforms for ICT support services such as weather forecast, banking service	curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-written questions	
	2	PRODUCTIO N TECHNIQUE S	ICT support devices	-identify support services that can be accessed through use of ICT -access support services using ICT -show responsibility in use of ICT in accessing support services	Name the services which can be accessed through ICT?	-discuss how ICT can be used to access supplies and information for appropriate decision making -access online platforms for ICT support services such as weather forecast, banking service	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -written questions	
	3	PRODUCTIO N TECHNIQUE S	ICT support devices	-identify support services that can be accessed through use of ICT -access support services using ICT -show responsibility in use of ICT in accessing support services	Name the services which can be accessed through ICT?	-discuss how ICT can be used to access supplies and information for appropriate decision making -access online platforms for ICT support	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8	-oral questions -written questions	

						services such as weather forecast, banking service	MTP Home science grade 8		
	4	PRODUCTIO N TECHNIQUE S	ICT support devices	-identify support services that can be accessed through use of ICT -access support services using ICT -show responsibility in use of ICT in accessing support services	Name the services which can be accessed through ICT?	-discuss how ICT can be used to access supplies and information for appropriate decision making -access online platforms for ICT support services such as weather forecast, banking service	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -written questions	
7	1	PRODUCTIO N TECHNIQUE S	ICT support devices	-outline the importance of ICT -observe online security guidelines to prevent cyber attacks -appreciate use of ICT in learning	What is the importance of ICT in learning?	-discuss the importance of ICT -observe online security guidelines to prevent cyber attacks	Agriculture and Nutrition grade 8 curriculum design MTP Agriculture grade 8 MTP Home science grade 8	-oral questions -observation -written questions	
	2	PRODUCTIO N TECHNIQUE S	ICT support devices	-outline the importance of ICT -observe online security guidelines to prevent cyber attacks	What is the importance of ICT in learning?	-discuss the importance of ICT -observe online security	Agriculture and Nutrition grade 8 curriculum design	-oral questions -observation -written questions
